

Have you ever found yourself seeking a local **Digital Forensic Expert Witness** to help you with a case?

Our team at [EXPERT DATA FORENSICS](https://www.expertdataforensics.com) is made up of Forensic Examiners, Expert Witness a Case Manager and Support Staff. Over 50 years of combined experience serving litigators like yourself locally in Las Vegas. We service on average of 145 cases per year and have been doing so since 2006.

Trust the team with a Private Investigator License and Federal Government Clearances to help you from Preservation Orders to end of Trial.

From family matters, to complex civil litigation involving corporate and labor disputes, to insurance or criminal defense. We are familiar with the spectrum.

**Our team:**

- Understands how to prepare an Expert Report
- Will take the stand as experts and testify on findings
- Resolves ESI issues with Discovery Requests
- Collects and preserve data to ensure that it's admissible
- Validates authenticity of digital evidence
- Assists in formulating deposition questions
